ASTRONOMY WATCH PARTIES

Learn about the nighttime sky from hobby astronomers at Silver Springs Park on Groundhog Hill. They will spot things in the night sky and you will be able to look through their telescopes. Bring your binoculars and telescopes to take part in the fun or download the free Star Walk 2 stargazing app to your mobile device ahead of time. **Please bring your own chairs, blankets, and bug spray for an informal night of star-watching fun.**

LOCATION: Silver Springs Park - Groundhog Hill (5238 Young Rd., Stow)
Parking: Baseball Fields
