 I was at Stow Target and was getting ready to leave. I had begun to backup out of my spot. I checked for surrounding vehicles and people, and my backup camera was showing that it was clear to backup. I did not see any vehicles in the way and I continued to reverse. As I was reversing I had felt a hit and had noticed in my back window that a black car had been hit. We both pulled back into our spots exchanged info a called police. Other driver stated she threw her phone in the car after it happened.
